

PERSONALITY PROFILES

Examples

Example #1

About myself

My friends often describe me as a very communicative and spirited young man.

Talking with other people is no problem for me and I really like and enjoy working in a team.

Apart from that I occupy myself with computers, especially the programs Access, Publisher and Word. In my freetime I like to go out and meet my friends.

As far as my interests at school are concerned I am very much into English and German as well as Accountancy, Information Technology for Business Purposes, Telecommunication and Multimedia.
