

## ACTIVITY – JOB SEARCH

**Search the internet or different daily or weekly newspapers for vacancies in the following fields:**

---

### **Summer job**

A job you would like to do during your summer holidays.

---

### **Job after graduation/A-levels**

Try to find a job which you can start immediately after finishing school.

---

### **Student's job**

Imagine you do not want to start working right after school but you want to earn some money to finance your studies or to have more pocket money.

---

### **Job abroad**

If you would like to get to know other countries, why not try to find a job somewhere in a foreign country? Probably you can find a temporary job in a country that appeals to you.

**Cut out or print out the job advertisements and comment on them! Why did you choose the advertisement for a particular job? What appealed/appeals to you?**
